## COVID-19 Measures

Below you can read all the measures that Sluizer restaurants takes regards the safety of our guests and employees

1. All tables, both restaurants and 1st floor with each room are 1,5 meters apart.
2. With people from the same household you can sit at one table without the 1.5 meter. You can also sit at one table with several households, however we use 1.5 meters between the different households.
3. You can book for up to 56 people. The group is seated at tables of 2 people that are 1.5 meters distance.
4. Please pay electronically as much as possible.
5. If you are earlier than your table companions, you can wait at your table. Everyone has a permanent seat in several households or groups.
6. If you have made a reservation but you are not feeling well, you have a fever or a bad cold, we ask you to cancel the reservation.
7. You can disinfect your hands at our entrance and a health check takes place upon entry without a reservation.
8. Reserving a table is mandatory either through our reservation system (See COVID- 19 questions in the system), or by telephone or at the door and then we will note your details on the spot and a health check will take place.
9. Maximum 1 person on the toilet. This applies to both men and women.
10. Our operators disinfect their hands every 30 minutes and wash them thoroughly.
11. The regulations also hang at our entrance.
